

Work for equality - "WE" - A step towards to get equal opportunities

Monthly Newsletter - October 2016

Work for Equality is a registered NGO working for the benefits of the marginalized communities in the areas of education, health and livelihood

Achievement of this month: Work for Equality is supporting 150 marginalized children through four PRERANA centers in different locations. The impact of these center is we are motivating dropout children to start education again. *The impact is Manisha Savant who has stopped education due to lack of support from family, is started education again.*

Eainade Thakar community are facing water problem, the women need to cross two mountain to collect water, Work for Equality trying to bring the community together and try to solve the problem. The first step is we form "Women Group" "Ranragini" the group has started meeting frequently to solve their problems.

Joy of the giving week: has celebrated with marginalized community people to donate them various required material.

Sunday fun for children: every Sunday children collectively doing varies activities which is not only developing their physical but also mental health. Children are learning skills for group work
